The old man [looked at me] *without* any fear, as if this was common practice. He didn't stop. I was so angry, I confronted him. He removed the boy from his penis, and I took the boy aside. I told this man, 'It's a sin before God, a *mishkovzucher*. What are you doing to this boy's soul? You're destroying this boy!' He had a sponge on a stick to clean his back, and he hit me across the face with it. 'How dare you interrupt me!' he said. I had heard of these things for a long time, but now I had seen."

[George Bush Pedophile Sex Ring and Blackmail of Congress](#) George HW Bush is a known evil pedophile, who ran a Congressional Blackmail Child Sex Ring during the 1980s known as "Operation Brownstone and Operation Brownstar", and later to become known as "The Finders or The Franklin Coverup". U.S. Vice President George HW Bush would sneak children over to Senator Barney Frank's condo, known as a "Brownstone" to their famous cocktail parties, where U.S. Congressman and U.S. Senators — some willing and some unwilling participants — got a taste of the "Voodoo Drug" in their drink.

[Evil with a Nice Face – The Janus Principle](#) There have been two different secret LE investigations of pedophilia among Members of Congress. One was by an undercover FBI Asset, and another was for the NYCPD and the New York State Crime Commission. The first found that approximately 39% were active practicing pedophiles, the second found that about 42% were active practicing pedophiles. These figures were from reliable investigations about 20 years ago, but current LE experts say that not much has changed

except for perhaps more S&M and secret homosexuality. At least one Southern Senator who lives a secret “closeted” life lives in fear that his lifestyle will be revealed by the “AIPAC Boys” who pull his strings, if he fails to satisfy their middle east war mongering demands.

An investigation by the Mail on Sunday has discovered that Fulford was a founder member of a campaign to defend PIE while it was openly calling for the age of consent to be lowered to just four “.

['AIR FORCE BROUGHT ABUSERS TO CHILD SEX ORGIES'](#) If you check the comments made by convicted abuser and MI5 "agent" William McGrath to author Chris Moore, it tells you everything you need to know. He spoke of "wheels within wheels." I think this was in 1991. The book can no be read online. What McGrath meant was each paedo ring was a "wheel" al co-ordinated within a bigger "wheel." The individual "wheels" covered the whole of the UK.

[\[2012 Nov\] Savile's Travels: How Sir Jimmy Was Fingered as Peter Sutcliffe's Accomplice](#) Sutcliffe victim Irene Richardson was killed in 1977 – only yards from where Jimmy Savile demanded oral sex from his paperboy, and another murder victim was knifed by the Ripper in front of Savile's other Leeds home at the time....But we have an even bigger theme now in play with the Savile-Sutcliffe link. If Savile is eventually linked to Sutcliffe or any other Savile murders turn up, then anyone who covered for Jimmy – including the BBC, would, in theory, be guilty, in theory, of *aiding and abetting a mass murderer*.

But the judge, Leslie Dutchcot, decided that \$100,000 was enough-and Sandusky didn't have to secure it. He didn't have to put up any money and would forfeit the bail only if he didn't show up for court appointments. Well, it turns out Judge Dutchcot volunteers for Second Mile, the charity for at-risk kids that Sandusky founded. The charity that gave Sandusky every opportunity to befriend young boys. Why didn't Judge Dutchcot recuse herself from the case?
